

10U Boys County Cup Match Report

Qualifying 10/11 May - Taunton

Captains – Ollie Bendall & Matt Elston

The U10's Boys faced a tricky qualifying group in Taunton. A team of Maximus, James, Felix, Charlie, Stanley, and Samuel took to the challenge against Somerset, Devon and Cornwall. Wins against all three countries meant we qualified for the southern finals in Southampton.

Some standout performances in singles and some of excellent teamwork in doubles put the boys in good stead for the finals.

Finals 7/8 June – Southampton

Avon were drawn a very tough group with Middlesex up first, followed by Surrey. Both counties had extremely good teams and were too strong for a hard battling Avon.

The highlight of the weekend was undoubtedly the team meal at the Walnut Tree Farm. Where parents enjoyed a quality meal, including the world's biggest chocolate eclair/slice of cake. The boys enjoyed burgers and the odd fizzy drink; I hear the Fanta was a favourite.

The second day started with Buckinghamshire and was followed by Essex.

Some hard thought matches, with Avon unfortunately on the losing side.

The weekend was a very valuable experience. The boys will take away some areas to work on and some great memories.
