## **Day 1 – Singles Matches**

The Avon 12U Girls County Cup team had a busy and successful first day in Ivybridge, playing four rounds of singles.

- Match 1 – Avon vs Devon:  
A perfect start for Avon, with all four players winning their singles matches to secure a 4-0 result.
- Match 2 – Avon vs South Wales:  
South Wales proved to be the toughest opponents of the weekend, and despite some close encounters, Avon went down 0-4.
- Match 3 – Avon vs Somerset:  
The team bounced back superbly, showing determination and discipline to earn a 3-1 victory.
- Match 4 – Avon vs Cornwall:  
Avon finished Day 1 on a high, producing another clean sweep with a 4-0 win over Cornwall.

This left Avon with three wins from four ties, sitting in second place going into Day 2.

## **Day 2 – Doubles Matches**

Day 2 started with rain delays, but once play began Avon continued their strong form:

- vs Somerset: Avon won both doubles matches, converting their 3-1 lead from Day 1 into a convincing 5-1 overall victory.
- vs Devon: The teams split the doubles for a 1-1 result, giving Avon a final 5-1 overall win thanks to the Day 1 singles sweep.

Unfortunately, heavy rain returned later in the day, stopping play before the doubles against Cornwall and South Wales could be completed.

Referee Parul Patel was, as always, absolutely fantastic – calm, clear, and professional throughout the weekend – making sure the event ran smoothly and fairly despite the weather challenges.

## **Final Standings**

With South Wales already confirmed as winners, the event was called to a close, and Avon finished as runners-up – a brilliant result and a credit to the whole team.
