

## **Avon Boys Take Silver at County Cup!**

We were proud to take a **strong Avon team** into the County Cup weekend, featuring **Shahbeez, Stefan, Alfie, Peter, Che, and Aarav**. The boys showed great determination, skill, and team spirit across a series of exciting and competitive matches.

### **Match 1: Avon vs Berkshire**

We kicked things off against a mighty Berkshire side. There were some fantastic rallies and high-level tennis across the board.

**Shahbeez and Stefan** played especially tough matches, pushing their opponents all the way in four very close singles. Despite the strong effort, we trailed **6–2 after the singles**.

But the boys weren't done yet. They came back determined in the doubles, showing patience in long rallies and smart court positioning to take **both matches**, closing the gap to **6–4**. A great response—and a bit of revenge—for Shahbeez and Stefan in particular.

### **Match 2: Avon vs Hampshire**

Next up was Hampshire, and the team hit their stride. The boys were dominant across the singles courts, showing composure and control to win **7–1**.

While the doubles lacked a bit of focus—leading to some unforced errors—we still managed to split the rubbers, finishing the tie with a strong **8–2 victory**.

### **Match 3: Avon vs Wiltshire**

We saved the most dramatic tie for last. With **six of the eight singles matches decided by just a couple of points**, it was clear this would be a tight one. We ended the singles round **tied 4–4**, setting the stage for a crucial doubles showdown.

**Peter and Alfie**, fresh off impressive singles wins, couldn't quite find their rhythm in doubles. Meanwhile, **Che and Aarav** stepped up—Che aiming for a clean 3/3 record, and Aarav playing his **third match that went to 11–9!**

Their grit paid off as they sealed the win, earning a final tie score of **5–5**—a fair and hard-fought result.

### **A Brilliant Team Effort**

The Avon boys finished **2nd overall**, claiming a well-deserved **silver medal**. More than that, they showed great sportsmanship, teamwork, and

resilience throughout the day. It was a fantastic experience for all involved—with memories made and friendships formed.

Well done to all the players and thank you to everyone who supported them!
