

# BOYS 11U COUNTY CUP

## North Oxford - 13 & 14 June 2026

### *Captain's Report*

#### **BOYS - 6<sup>th</sup> PLACE**

Avon U11 boys were in a national qualifying group, playing for a spot at the national finals in a few weeks time.

The drama started before the event had started with Max unfortunately pulling out of the squad due to injury. This meant we needed to bring in a replacement and Noah came in to help.

The team | James, Charlie, Felix, Stan, Samuel, and Noah.

Buckinghamshire were the first opponents on the Saturday. A great win for Felix and some very close matches meant Avon were 3-1 down after singles. 2 match tie break defeats in the doubles send Avon 5-1 down.

Hertfordshire was the second match of the day, Wins for Charlie and a doubles win for Charlie and Felix were the highlights in another very tough match losing 4-2 over all.

After a very long day, the team enjoyed a meal at the hotel where some portions were bigger than others!

The last match of the weekend was vs Berkshire but there was a twist as the boys got the opportunity to play the fixture on grass.

After getting used to the bounce on the grass, three matches went to match tiebreaks with Avon just missing out in all of them. Charlie however did win two tie breaks to give Avon a rubber.

A doubles win for Stan and Charlie unfortunately wasn't enough and Avon lost 4-2.

There was some brilliant tennis on show, the sun was shining and everyone had a great weekend of tennis. Some lessons to be learned for sure, however the fight and team spirit the boys showed all weekend was there to see and they did Avon proud.
