

**LTA 18U County Cup: Boys Division 4B (held at Nottingham Trent University)  
– 1 to 3 March 2024**

Day 1 (Friday) - Avon's team displayed remarkable resilience in a closely contested opening match against Derbyshire, securing a narrow victory of 5-4. Josh's remarkable comeback at no. 3 singles, overcoming a set and 4-1 double break deficit to win in three sets, stood out as a pivotal moment. Additionally, standout performances from Sam and Charlie in the doubles ensured Avon clinched the decisive fifth rubber, establishing a formidable new doubles pair.

Day 2 (Saturday) - Avon continued their dominance with a comfortable 8-1 victory against Northamptonshire, showcasing their prowess and depth as a team.

Day 3 (Sunday) - The victory was sealed with a stellar team effort, as Avon swept all matches in the final against Staffordshire. Sam's heroics in the singles further underscored Avon's superiority on the court.

**Summary:**

Other notable contributions came from Casey in his singles matches. Charlie's firepower and dominance throughout the weekend proved too much and was untouchable at no.1. A great way for Charlie to end his U18 county career.

The team spirit on and off the court was exemplary and admirable, and clearly the standout team in the group in that regard.

And, special thanks to James Pugh and Tom Spinks, our team captains, who led and supported the team in a very enthusiastic manner.
