BURNHAM ON SEA TENNIS CLUB
Division 1 Playoffs
Saturday 14th & Sunday 15th June 2025

A weekend full of great tennis, warrior athletes, and beachside fun—in the mix of sun, rain, and wind! Angie, Ava, Grace, Joanna, Lyla, and Zoe represented Avon brilliantly at the County Cup in Burnham-on-Sea, led by captains Ali and Pete.

AVON TENNIS

◆ **Round 1 vs Essex (Saturday)**

Result: Avon 2 – Essex 4

We kicked off the weekend with a tough tie against Essex, and there were some great performances right from the start. **Ava** and **Grace** both got us on the board with strong singles wins — calm, confident, and totally focused.

Angie and **Zoe** fought hard in their singles, but Essex edged those, making it 2–2 heading into the doubles. Both doubles were competitive, but Essex had the edge and took both to close it out 4–2.

The support from the sidelines was amazing, parents and players keeping the energy up!

Between matches, the girls had a long break — so we took a well-earned trip to the **beach** for some fresh air and fun. **Ice cream at lunch** definitely helped keep spirits high and gave everyone a nice reset before the afternoon matches.

◆ **Round 2 vs Cambridgeshire (Started Saturday, finished Sunday)**

Result: Avon 1 – Cambridgeshire 5

This one was a real challenge — Cambridgeshire came in strong and we knew it would be tough. Only two singles matches got played on Saturday before we ran out of time, so we picked things up again first thing Sunday morning.

Ava stayed rock solid and picked up her second singles win of the weekend — she didn't miss a beat. The rest of the matches were close and competitive, with loads of long rallies and great effort across the board.

Even though we didn't get the result, the improvement in our doubles play was really noticeable. Everyone stayed positive, backed each other, and gave it everything.

The score doesn't tell the full story. The girls kept their heads up, competed hard, and looked more connected with every match."

◆ **Round 3 vs Oxfordshire (Sunday)**

Result: Avon 4 – Oxfordshire 2

Now *this* was the finish we were hoping for! After two tough ties and an early morning restart, the girls came into the final match full of energy — and it showed.

Lyla got us off to a brilliant start with a calm, tactical win in windy conditions. Then **Ava** and **Grace** kept up their unbeaten runs in singles, putting us **3–1 up** and just needing one more to seal the tie.

We sent out **Joanna & Angie** and **Ava & Zoe** for the doubles — and it was **Ava and Zoe** who got the job done, sealing the win with loads of energy and sharp teamwork.

They left it all out there. Big smiles, loads of high fives, and a brilliant way to wrap up the weekend."

What a weekend! Three tough matches, loads of great tennis, and so much improvement across the board. Every single player contributed — whether it was on court, cheering from the side, or just bringing great team energy.

From beach walks and ice cream to early starts and long rallies — the girls took it all in stride with smiles, support, and serious team spirit.

The support and unity across the group was wicked. Well done girls (parents & siblings too)! That's what County cup is all about.
